

# Parking & Access

- If you require [accessible parking](#), please use Carpark P5 (circled in red on the map). Entry is off Reimers Avenue.
- All other general parking, please use Gate M (circled in yellow on the map). Entry is off Sandringham Road. *We encourage all attendees parking via Gate M to reserve the car spaces closest to the venue for those people who would benefit from a shorter commute to the venue from the carpark (i.e. people who may be elderly, pregnant, or otherwise less mobile).*
- Entrance to the venue is via Entry E (circled in green on the map).
- If you travel by train, Gate A (circled in purple on the map) will be open and you can move through to the reception by Entry E via the Western Concourse.
