BATEC MOBILITY

BATEC **SCRAMBLER 2 PLUS / 2 S**

When the road ends, **freedom continues**

Batec's most powerful and well-equipped handbike, designed to help you explore any road confidently

Designed to adapt to you

Because each user is different

- Adapted handling
- Optimised docking
- Personalised controls
- Maximum control

Designed to take you **where you couldn't go before**

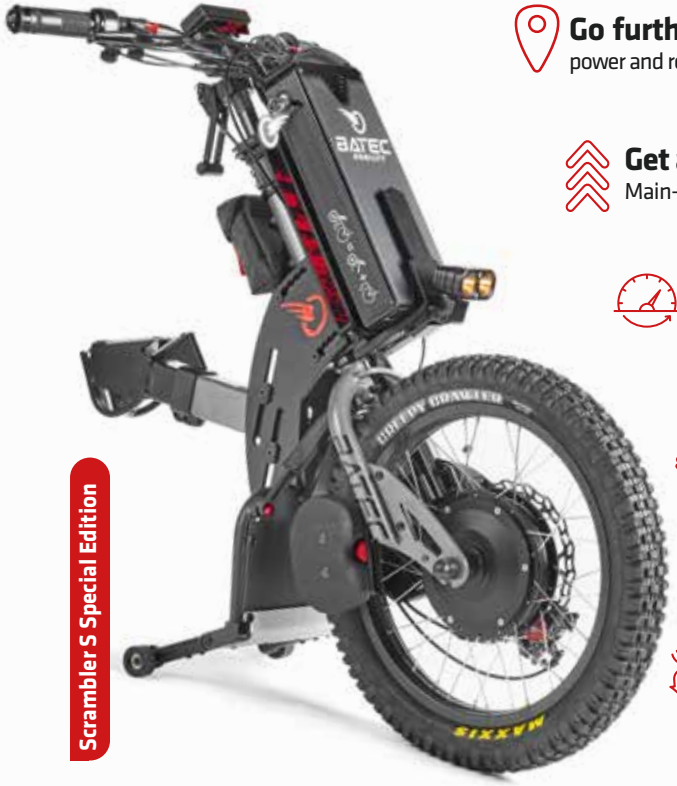

There are places that are just waiting to be discovered.

Break out of your routine and enjoy dirt roads, forest tracks or trails with the same comfort and confidence as when you're riding on tarmac.

The **Batec Scrambler 2 Plus** / **2 S** combines new electronics, an **anti-slip system** and **cruise control** to accompany you on every ride.

It's not just about going further.
It's about deciding where you want to go again.

Scrambler S Special Edition

Different acceleration and braking set-ups ı
Controls adapted to different functional abilities ı
Ergonomic adjustment ı **No tiller effect**

Go further. Go further. Don't give up on any route just because the going gets tougher. Get the power and responsiveness you need to keep moving forward.

Get around confidently. When the terrain changes, you keep moving forward. Main-tain traction and stability even on uneven surfaces. **Batec anti-slip system**

Take it at your own pace. Enjoy the journey more and worry less. Set a steady speed so you can focus solely on the road.
Cruise control

Feel safe on every journey

When it comes to braking, control makes all the difference. Enjoy safe, precise braking so you can tackle any terrain with confidence.
Regenerative braking system ı **Two mechanical brakes** ı **Electronic cut-off of motor assistance** ı **Flashing rear brake lights**

Discover new paths

There are paths that beckon you to follow them. Enjoy the stability and sturdiness you need to explore far beyond the tarmac.
19" Maxxis tyres ı **Suspension stand frame** ı **Reinforced chassis**

You choose when to start

When something comes up, the last thing you want to do is wait. Attach your Batec in seconds and start enjoying it right from the start.
Batec Docking
